

RD STEEL FLATDECK BODY

Tough enough to haul the big loads, the popular RD models are expertly designed, professional-grade workhorses that are sized to fit almost any unit. Premium features include a best-in-class tubular headache rack, lifetime warranty LED lighting, top-rated B&W hitches, and integrated toolboxes. If you want to maximize your towing capacity, look no further than our best-in-class 24K lb. B&W receiver hitch and our 30K lb. GN hitch. If you are just hauling cargo on our deck, our structural runners, industry-leading treadplate decks, and side rub rails allow you to safely secure and haul the heavy loads.
