

XSB

STEEL SKIRTED BASE BODY

**BUILT BOLD. STYLED TO PERFORM.
ENGINEERED FOR THE WORK AHEAD.**

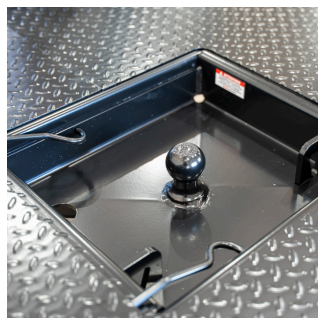

The **XSB** is the next evolution in skirted truck bodies—where sleek design meets advanced functionality. With fully boxed fenders, an integrated headache rack, and our exclusive XSteps located in front of and behind the wheel wells, every detail is engineered for smarter access, greater storage, and elevated performance. This is a body that doesn't just look the part—it is the new standard for what a skirted body should be.

STEEL SKIRTED BASE BODY

Key Features

- **XCoat:** NXG's proprietary multi-stage powder coating system delivers unmatched corrosion resistance and a professional, durable finish built for harsh environments.
- **XRack:** Fully integrated headache rack system, built into the body—not bolted on—with precision 3" x 4" steel tubing, mandrel bends, and built-in XLights with strobe capability for job-site safety.
- **XDeck:** 11-gauge recessed treadplate deck with XCoat finish eliminates exposed edges for superior corrosion resistance and lasting durability.
- **Frame Rails:** 4" precision-cut structural steel runners for maximum strength and corrosion resistance.
- **Crossmembers:** 3" roll-formed steel for superior deck support and load capacity.
- **X Hitch:** Frame-integrated towing system with 30,000 lb gooseneck, 24,500 lb receiver, upright safety chain keepers, pre-wired electrical connections, and an emergency breakaway loop for the safest towing experience in the industry.
- **Side Rails:** 3/8" x 2" formed steel rub rails with integrated stake pockets and tie-down compatibility.
- **Fuel Fill:** Angled, corrosion-resistant design improves flow, reduces splashback, and features standard rear-facing location for easier fueling.
- **Trailer Light Plug:** Automotive-grade seven-way/four-way 12-volt electrical hookup for reliable trailer connections.
- **Marker Lighting:** DOT-approved LED bullet lights for road-ready visibility.
- **Toolboxes:** Four lockable flush-mounted Stash BoX toolboxes with bulb weatherstripping for maximum sealing and corrosion protection.
- **Toolbox Handles:** Black T-handle compression latches, all keyed alike for convenience and security.
- **Fenders:** Heavy-duty steel radius fenders for lasting durability.
- **Side Steps:** NXG XSteps in front of and behind fenders, plus rear step for unmatched bed access.
- **Available Lengths:** 84", 8'6", 9'4", 11'4"
